LB 713

SENATOR SIMON: No, that has already been defeated. I'm just asking for a roll call on the Chambers' amendment and I would like to have the Clerk read...

SENATOR SAVAGE: That's what I understood you to say, yes. Roll call vote on the Chambers amendment.

CLERK: Senator Barnett, excused, Senator Bereuter...

SENATOR SIMON: Mr. President, excuse me, I would again request the Clerk read the Chambers' amendment.

CLERK: Excuse me, Senator. (Re-read Chambers' amendment found on page 1989 of the Journal.)

SENATOR SAVAGE: Proceed with the roll call.

CLERK: (Continued with roll call vote.)

SENATOR SAVAGE: Announce the vote.

CLERK: 20 ayes, 4 nays, Mr. President.

SENATOR SAVAGE: The amendment by Senator Chambers to LB 713 fails. What's the next amendment?

CLERK: Mr. President, the next amendment is offered by Senator Fowler. It's the amendment on page 1459.

SENATOR SAVAGE: Senator Fowler.

SENATOR FOWLER: I think I want to withdraw this one.

CLERK: I have a note that you want to do that, Senator.

SENATOR FOWLER: Then I think I want to withdraw it, yes.

SENATOR SAVAGE: Any objections? So ordered. The amendment is withdrawn. Any other amendments?

CLERK: Yes, Sir. Mr. President, the next amendment is offered by Senator Fowler and that is on page 1691 of the Legislative Journal.

SENATOR FOWLER: Yes, I want to leave this one in. This is an amendment that came from the Criminal Justice Information System Advisory Committee of Lancaster County and the City of Lincoln, if you can believe a name like that for a Committee. These are technical changes that they wanted to clarify some of the language. This is a group that has been trying to establish the Criminal Justice System for Lancaster County. It is on page 1680 and 1681 of the Journal. The first thing it does is just clarifies some ambiguities. In some places it refers to Criminal Justice information and other places Criminal History Record information, that's to try to get one uniform term, just to talk about criminal history information. The amendment also provides a definition of a term that's used frequently and that is the term, operator, which is not defined in the bill as such. The object is to allow the meaning of operator which could apply to both manually operated systems as well as computerized systems. Not every Criminal Justice Record System is computerized as this bill envisions. The next amendment is to adapt the terms again to both manual and automated systems and would designate that this position should be
